

Unlock the Brazilian Market with DWL

QUALITY CONSULTING

As a pioneer in regulatory compliance, DWL has been your premier choice since 2012 for navigating the complex Certification landscape in Brazil, coinciding with the implementation of current Brazilian regulatory standards. Specializing in the mandatory Certification of appliances based on INMETRO Ordinance 148/2022, we ensure that your products meet all Brazilian standards.

**Your Trusted Local Representative for
Household Appliance Certification**

Why Choose DWL?

- **Decade of Pioneering Expertise:** Since 2012, we have been at the forefront of regulatory compliance, simplifying foreign goods' entry into the Brazilian market. Our long-standing experience and reliability make us a leader in the Certification market.

- **Strong Industry Relationships:** With excellent relationships and open doors at the major Certification Bodies in Brazil, we ensure your Certification process is smooth and efficient. Our connections help facilitate quicker and more effective communication and problem resolution.

- **Comprehensive Legal Representation:** As your local representative, DWL handles all interactions with Brazilian Certification bodies, regulatory authorities, and your final customers. We manage every detail on the INMETRO system (Orchestra platform), from documentation submission to Certificate maintenance.

Why DWL?

- **Annual Audits for Excellence:** DWL undergoes annual audits to ensure compliance with customer complaint response requirements as mandated by INMETRO. This commitment to quality guarantees that we continuously meet and exceed service expectations.
- **Guaranteed Compliance:** Our deep understanding of INMETRO regulations ensures your products comply with all local norms. We stay updated with regulatory changes, offering peace of mind that your appliances meet the highest standards.
- **Seamless Certification Process:** Acting as a bridge between Manufacturers, Certification Bodies, Testing Laboratories, and Regulatory Authorities, we facilitate the entire Certification process. Our role simplifies your entry into the market, allowing you to focus on what you do best—creating excellent products.

Ready to explore the possibilities of the Brazilian market? DWL is here to ensure a smooth and compliant entry for your products. Connect with us today and let's discuss how we can support your success in Brazil.
